

Online Assessments for Introduction Courses

What to expect when you register for an Online Introduction Course Assessment:

- You will be emailed log-in details to access LearnADR where the assessment is hosted directly from HQ
- The assessment consists of 60 multiple choice questions
- The questions are derived from the content within the course workbook
- There will be a mock test for you to experiment with before you start the actual assessment
- You will have up to 3 attempts to take the actual assessment
- Each attempt allows you to start the assessment and resume where you left off for up to 7 days if you wish to finish it off later
- You will have 28 days from the assessment start date to complete the assessment
- Your result will be displayed immediately upon completion of the assessment
- On passing the assessment, you will be able to print your own certificate from LearnADR
- The pass mark is 55%
- You will then have the opportunity to apply for Associate grade membership (ACI Arb) online:
<https://www.ciarb.org/membership/routes-to-membership/>
- If you do not complete the assessment within 28 days, you will have to register and pay the £72 assessment fee again for the next available online assessment.
